CHRISSIE BIXLER CARNELL'S STORY ON TONY ORTEGA'S BLOG HAS BEEN DELETED (/KATHYGOLD.WEEBLY.COM/MONEY/CHRISSIE-BIXLER-CARNELLS-STORY-ON-TONY-ORTEGAS-BLOG-HAS-BEEN-DELETED)

9/2/2018

<https://alanzosblog.com/tony-ortega-hysterical-deletes-story-on-guy-sitting-outside-chrissie-carnells-house/> (<https://alanzosblog.com/tony-ortega-hysterical-deletes-story-on-guy-sitting-outside-chrissie-carnells-house/>)

I just found out today, 9/2/2018.

When I wrote this blog post (<http://kathygold.weebly.com/money/everybody-assumes-my-incidents-with-the-police-is-isolated>) I didn't know that, I probably couldn't find it and thought this was it. I'm busy, I was in a hurry, see FedCourt.info (<http://www.fedcourt.info>)

<https://tonyortega.org/2018/08/30/kiosk-gate-lapd-told-masterson-accuser-its-hollywood-site-was-compromised-by-scientology/> (<https://tonyortega.org/2018/08/30/kiosk-gate-lapd-told-masterson-accuser-its-hollywood-site-was-compromised-by-scientology/>)

Who knew that Tony Ortega would delete his post within a 5 day time frame, it was written on 8/25/2018 but on 8/30/2018 it's deleted.

Chrissie and all the other women should document online so it can't be deleted, relying on journalists to do it for them isn't gonna help them nor their case, they can easily be bought off and/or run ops on by this church's management team to manipulate shit.

1.1's Are

When in doubt, document. Girls, I know you are scared, if these stalkers ask you if you are video taping them, be honest, say yes, it's not against the law to document.

And since California is a 2 party consent state, they will harrass you to intimidate you into not gathering evidence of their stalking. They will say on tape, I don't give you permission, how will you handle that?

This stalking is possibly premeditated with the intent to rape you and I believe that's a felony, but you need, more then one video to show history of the stalking, not one video. And if they try to rape you, try to get that on video for evidence.

By Tony Ortega removing it, deleting it, he wiped out their history. You can't rely on anybody to do this for you. Documenting shit is not against the law.

Go talk, get consultations from attorneys on this subject so you are hatted, educated, go as a group or individually. And then drill, drill and drill until you feel comfortable.

That's the whole point with these people, they want to make you uncomfortable and then say she lied!, when in reality, you didn't know how to handle it, caught you off guard. Be 100% honest on camera, otherwise they will use it against you in court and with the police, news, internet, smear etc etc to show your character, that you're a liar, a whore, extortionist against Danny Masterson and he really didn't rape you etc etc.

If you can't do this, then I suggest, you pack it up, delete all of your social media shit on this subject and run away and hide.

Those are your two choices, either get up and fight or run away and hide.

This is intimidation, to scare you and all the real bad evil guys and girls will be coming out to play with you, whether you get up and fight or you run away and they're not paparazzi. They can be anybody in this matrix.

I'm being blunt about this, you went and put your shit online, assuming anons would have your back, you think you have some power, wrong move little girls, you have no clue the depth of evil that has been going on long term, just how deep the rabbit hole really goes. I don't envy any of you.

Chrissie's children will be taken away, how easy, somebody or somebody's will break into their house, plant drugs and drop dimes and off their children go to foster care where they will be drugged on psych drugs and sexually abused. That's if they don't smoke pot recreationally? If they do and her husband looks like he does, the private dix will drop dimes with child services and prove it in court legally along with pictures of him doing the drugs and if she does too, then her too, photos and videos of both of these people doing drugs and a history of doing drugs long term, not one video or one photo.

That's not illegal, you're suppose to report parents who are doing drugs to child services, they are putting their children at risk and there might also be abuse going on in the house, abuse of the children including sexual either by the parents or their friends they are doing drugs with.

Everybody gets paid with me LMAO

My aces.
